Sir,

Subject:- Revision of Establishment --Chamarajanagar Town Municipality.

I have the honour to state that the clerical establisment of the Chamarajanagar Town Municipality consists of the staff as noted in the margin. The Municipal council at their meeting held on the 28th August 1944 have resolved to appoint additional hands in accordance with G.O. No.L.811-821/ML.16-35-82 dated 25th July 1936. (Vide appendix L. correction slip No.67 of the M.M.M. part II). The present scale of establishment which was sanctioned as per Government Order No. 5854 5/Ml.20-36-65 dated 8/13th February 1937, has been continued till this date.

One clerk in grade Rs.25-1-30-1-40
One Clerk " 20-1-25.

Of late volume of work in the office has increased owing to the establishment of an Municipal High School and other improvement works undertaken by the Municipal Council. The inadquency of the present staff to cope with the increased volume of work in the office has been brought to my notice at the time of the inspection of the Muhicipal Office both by the Municipal councillors and the president of the Local Municipal Council.

Likewise, the Municipal income has improved in no small measure which has emboldened them to undertake the construction of a Municipal High School and other Town Improvement works. Now, they have proposed to entertain one more clerk in grade 40-2-50 permanently in additional to the existing staff. Due provision has also been made in the budget fo the current year to meet the extra expenditure on this account. This being a town municipality coming under the catagory of the Second class Municipalities, is entitled to have a clerk on 40-2-50 in addition to two clerks one on Rs.20-1-25 and another 25-1-30-1-40 in accordance with G.O. No. L.811-821-ML 16-35-82 dated 25th July 1936.

I therefore request you kindly to obtain sanction of the Government for the entertainment of the above mentioned additional clerk in grade 40-2-50 permanently.

A copy of the resolution of the Municipal Council and the proposition statement in duplicate are enclosed herewith for kind reference.
